The image shows a screenshot of a 'Backup Wizard' window. The title bar reads 'Backup Wizard'. The main text asks 'Which Backup Options would you like to use? You can customize the backup job here.' Below this, under the heading 'Backup Methods:', there are two radio button options. The first is 'Full backup (recommended)' with the subtext 'Backup everything you have selected.' The second is 'Incremental backup' with the subtext 'Backup only the files that are new or have changed since a previous backup.' Below these, the text asks 'Which options would you like to apply to the backup?'. There are three checkbox options: 'Backup with verification (Compare media content to disk after backup.)', 'Compress backup data on the tape', and 'Provide security information.' At the bottom, there are three buttons: '< Back', 'Next >', and 'Cancel'. Handwritten annotations include '110' pointing to the 'Full backup' radio button, '112' pointing to the 'Incremental backup' radio button, '114' pointing to the 'Backup with verification' checkbox, '116' pointing to the 'Compress backup data on the tape' checkbox, '103' pointing to the 'Next >' button, '104' pointing to the 'Next >' button, and '108' pointing to the right side of the window.

Backup Wizard
